The **2018 Fixture List** is shown below. Please e-mail me your likely availability at the earliest opportunity. Please also indicate whether you are an individual member of the NRA or the Surrey RA – it is necessary that we know this for legislative purposes. Please put these dates in your diary, and confirm your intention to take part now – you know it makes sense! For all shoots, we meet pre-shoot at the Surrey Rifle Association at Bisley.

Please note that since 1 January 2009, all shooters (except Probationary Members) using MoD ranges (e.g. Bisley) must carry a Shooter Certification Card at all times when shooting. New SCCs will be issued for the 2018 season – once issued, please make sure that you have yours with you at all times when shooting. Please note that there will be a £9.25 charge for non-NRA members for the renewal of the SCCs for 2018.

OCRC Subscriptions will be due in March 2018. Our annual charges including concessions are:

- Shooters:
- age under 30 at start of year or 'distant' location in UK: £35 by Standing Order, or £40 by cheque/cash;
 - 30 years or over: £50 by Standing Order, or £55 by cheque/cash
 - full-time students: comfortable level according to their resources, usually approx. £20!
- Non-participants: donations always gratefully accepted

OCRC's much-preferred method of payment is by standing order and as an incentive we offer a small discount for those paying by this method! It is painless and virtually all members of OCRC now pay subscriptions by standing order. If you do not already have an OCRC standing order in place, please request one from Hon Treasurer Tim Bourne – he can send you one (with full instructions) by e-mail.

Other fixtures: we may have the opportunity to add to the fixture list. There are some events organised by the SRA and we may be invited to take part in the Total Oil Challenge, which normally takes place in June.

Subscriptions: Subscriptions, which are intended to cover our fixed costs, have been frozen since 2008, despite rising costs on cancellation fees, insurance, etc. We will maintain the fees at the same level as agreed in the last AGM, but ask that our members make every effort to attend the shoots to ensure we avoid additional charges. Nevertheless, there is still a discount for payment by standing order, and younger members and those located far from Bisley have a reduced rate. Students or those with a special case should discuss with the Hon. Treasurer the applicable rate for their subs.

SRA Lockers: For several years we have leased two lockers in the SRA armoury at Bisley. The “usual” one is for the Club weapons and other equipment. The second OCRC locker is available to Club members requiring secure storage for their rifles etc. (rather than general shooting kit where the available space may start to limit!). Financially we aim just to break-even with the second locker. Typically we now expect to charge £20 per rifle per year or part thereof which is competitive when compared with the commercial storage alternative.

Website: The website is now part of the Old Cranleighan Society website. I will endeavour to keep it up-to-date this year - <http://www.ocrifleclub.com>

AGM: at the SRA on Saturday, 13th October 2018, after shooting. Agenda below.

OLD CRANLEIGHAN RIFLE CLUB
